

## **DIRECTIVE 98/34/EC:**

### **REGISTER OF NEW NATIONAL STANDARDIZATION INITIATIVES**

In the implementation of Directive 98/34/EC, CENELEC, as the European Committee for Electrotechnical Standardization, has the legal obligation to keep the European Commission informed on new subjects in the national standards programmes of its Members.

We would like to inform you that no notifications were sent by CEN and CENELEC members during **August 2010**, pertaining to the subsectors falling in the scope of CENELEC's field of activity (i.e. Sectors U, V, W, as well as the common sectors X and Z).
